5. In the preparation of the above timetable, the Chair was guided by the following considerations:

(a) In accordance with established procedures and practices and bearing in mind the availability of documentation, the Committee may wish to hold one general debate covering agenda items 55 to 59, and individual debates on agenda items 49, 50, 51, 52, 53, 54, 118 and 130 on the understanding that draft resolutions and/or decisions will be considered separately;

(b) Representatives of Non-Self-Governing Territories and petitioners will be heard as early as possible during the Committee's consideration of the related items, and the Chair suggests that the Committee devote its meetings on Tuesday and Wednesday, 5 and 6 October, to the hearing of petitioners;

(c) Item 118, "Revitalization of the work of the General Assembly", is allocated to all the Main Committees for the sole purpose of considering and taking action on their respective tentative programme of work;

(d) Item 130, "Programme planning", is allocated to all the Main Committees and the plenary of the General Assembly to enhance discussion of evaluation, planning, budgeting and monitoring reports. If the Assembly allocates any report submitted under this item to the Fourth Committee, the Committee shall revert to this item.

6. Subject to the above provisional programme of work being acceptable to the Committee and in order to facilitate its work, the Chair wishes to suggest that the list of speakers in the general debate covering agenda items 55 to 59 be closed on Monday, 4 October, at 6 p.m. The Committee will take decisions on the closure of the list of speakers relating to the general debates on the remaining items at the appropriate time.

7. The Chair also wishes to draw the attention of members of the Committee to the decisions of the General Assembly on the organization of its work contained in document A/65/250, sections II.B to III.

8. Members are also requested to bear in mind the decision of the General Assembly that morning and afternoon meetings should start promptly at 10 a.m. and 3 p.m., both for all plenary meetings and for meetings of the Main Committees during the sixty-fifth session. The attention of the Members is also drawn to the decision of the Assembly to waive, at its sixty-fifth session, the quorum required, under rule 108 of the rules of procedure of the General Assembly, for the Chair to declare a meeting open and permit the debate to proceed (see A/65/250, paras. 12 and 15).

9. In view of the limited number of meetings available to the Committee, it is suggested that the time limit for statements be set at 10 minutes, with the exception of statements made by the spokespersons of groups of delegations, which would be extended to 15 minutes. In this connection, the Chair will set the time limit for the petitioners as it is deemed necessary.

10. In order to allow the distribution of prepared texts of statements made in the Committee to delegations, the specialized agencies, observers, interpreters and record-writers, 300 copies are required. A minimum of 30 copies should be given in advance of delivery of the statement in order to help the Secretariat to provide the best possible service.

11. The list of documents submitted under the various agenda items allocated to the Special Political and Decolonization Committee (Fourth Committee) is contained in document A/C.4/65/INF/1, which will be updated as necessary.
